GOLDEN FAME RESOURCES CORP. APPOINTS VICE PRESIDENT OF EXPLORATION

VANCOUVER, BRITISH COLUMBIA, November 2, 2011 - Golden Fame Resources Corp. (TSXV:GFA) ("Golden Fame" or the "Company") is pleased to announce that Steven M. Green has been appointed as Vice-President of Exploration of the Company.

Mr. Green is a professional geologist with over 25 years experience in base and precious metal exploration. He spent 20 years exploring for precious metals ranging from prospecting to managing million dollar joint ventures for senior mining companies such as Freeport McMoRan, Noranda, Santa Fe Pacific Gold and Cambior. Prior to joining Golden Fame Resources as Vice President of Explorations, he managed the geologic data operations for Fronteer Gold USA and supported the newly discovered Long Canyon deposit. Fronteer has recently been acquired by Newmont Mining.

About Golden Fame Resources

The focus of Golden Fame is to explore historically productive gold, silver and copper properties that have may have become economic due to the upward movement in metals prices. The Company is well funded, having completed a \$7.1 million financing in June 2011.
